

MOHAMED GABER

dentist

About Me

I am a dedicated Dental Medicine graduate from Misr University for Science and Technology (Class of 2022), with clinical experience as a practitioner at Dr. Ashraf Abdel-Azim's clinic. I have completed specialized courses in endodontics, digital impression, and clinical skills, and I actively participate in international dental conferences. Passionate about patient care, I am committed to continuous professional development and the application of modern dental technologies.
