About Me

Dedicated dental professional with 7 years of hands-on clinical experience seeking to contribute strong chairside assistance skills, patient care expertise, and infection control knowledge to a reputable dental facility while supporting efficient clinical operations and high-quality patient outcomes.

WORK EXPERIENCE

2019 - 2026

Al Miswak – Saudi Arabia
Nurse

- Assisting in dental implant surgeries
- Sterilization and preparation of dental instruments
- Appointment scheduling and record management
- Assisting in orthodontic procedures and follow-ups

2015 - 2018

Ophthalmology Hospital- Mansoura University – Egypt
Head of Nursing Department

- Coordinated patient flow to ensure efficient clinic operations.
- Administered ophthalmic medications and monitored patient responses.
- Provided pre-operative and post-operative patient education and care instructions.

SKILLS

- Proficient in delivering comprehensive patient care, including continuous monitoring and accurate recording of vital signs.
- Skilled in specimen collection (blood, urine, and other samples) and safe administration of injections in accordance with clinical protocols.
- Competent in the operation of medical equipment and adherence to sterilization and infection control standards.
- Strong interpersonal communication abilities with proven effectiveness in multidisciplinary teamwork and patient interaction.
