<https://www.facebook.com/Dr.SuhaibAli?mibextid=ZbWKwL>

- I have gained incredible experience in treating mild to complex cases such as composite fillings, crowns, bridges, and veneers. Some cases are documented with pictures on my clinic's Facebook page.

Credentials and Certifications

I continuously adopt new methods and materials for the best dental treatment. I have attended many workshops and obtained many certifications for that purpose, as shown below:

- Rafi Aljobory Conference on Cosmetic Dentistry. 9th - 10th, September 2016. (Attending)
- Workshop on anterior composite restoration and dental photography. College of Dentistry, University of Anbar. 9th, November 2017.
- Workshop on endodontic rotary, Sulaimani Dental Meeting 2. 5th -6th, September 2019.
- IDEX (International Dental Expo and Clinical Congress). 26th – 27th, November 2017. (Attending)
- Workshop on adhesive aesthetic rehabilitation and dental veneers. 12th - 13th, October 2023.

Organizations

- Member of the Iraqi Dental Association since 2014.
