Behira, Egypt

helaly211@gmail.com

## SUMMARY

A dedicated and passionate General Dentist with over 3 years of comprehensive experience in restorative dentistry, endodontics, cosmetic procedures, and patient pain management. Proven expertise in delivering high-quality dental care across diverse clinical settings, from private clinics to specialized hospitals. A hardworking professional committed to continuous learning and contributing to organizational growth through excellent patient care, strong administrative skills, and effective teamwork.

## EXPERIENCE

### General Dentist | Dr. Ahmed Elghannam Dental Clinic (2022 – Present)

- Managed all aspects of patient care from examination to treatment execution and follow-up.
- Gained extensive hands-on experience in endodontics, prosthodontics, and oral surgery.
- Maintained patient records and coordinated with the administrative team for scheduling and billing.

### General Dentist | Dar Al-Teb Medical Centers – Rashid Branch (2024 – 2025)

- Performed a wide range of general dental procedures, including diagnostics, restorations, and preventive care.
- Managed patient flow and maintained high standards of treatment in a busy clinical environment.
- Enhanced patient satisfaction through effective communication and compassionate care.

### General Dentist | Italian Military Hospital (2023 – 2024)

- Provided comprehensive dental services, including endodontic treatments, cosmetic procedures, and oral surgery support.
- Implemented strict infection control protocols and adhered to international medical standards.
- Collaborated with a multidisciplinary medical team to manage complex cases.

### General Dentist | Master Dental Care – Alexandria (2023 – 2024)

- Specialized in restorative and cosmetic dentistry, including composite fillings, crowns, and veneers.
- Utilized modern dental software for patient records and treatment planning.
- Conducted patient education on oral hygiene and preventive care practices.

### General Dentist | Al Bosaili Charitable Specialized Hospital (2022 – Present)

- Deliver pro bono and subsidized dental care to a diverse patient base, focusing on restorative and emergency treatments.
- Lead pain management and diagnosis, ensuring accurate prognosis and effective treatment plans.
- Mentor junior staff and interns in clinical best practices.

### Dental Internship

- 6th of October University Hospital
- Damanhour Teaching Hospital
- Edfena Central Hospital
- (2016 – 2021)
