This is to certify that Rakshita Krishnan was employed as a Dental Assistant at Dental Specialities Centre from January 1, 2024 to May 31, 2024 on a part-time basis, working 5 hours per day. During her tenure, Rakshita demonstrated professionalism and extensive knowledge in general dentistry. Her performance was consistently satisfactory, and she displayed a high level of competency in the clinical, organizational and didactic aspects of her role.

As a Dental Assistant, her responsibilities included:

1. Examining patients, interpreting radiographs and conducting diagnostic tests to assess dental diseases, disabilities, or malformations of teeth, gums, and related oral structures.
2. Restoring the form and function of carious, fractured, or defective teeth using rotary hand instruments, dental appliances, medications, and surgical implements.
3. Performing non-surgical tooth extractions, placing and removing sutures.
4. Preparing teeth for the placement of crowns and bridges.
5. Fabricating complete dentures and removable partial dentures.
6. Performing dental x-rays and root canal procedures.
7. Educating patients on preventive dental care, including brushing techniques, flossing and the impact of dietary habits on dental health.
8. Placing orthodontic bands, brackets, and wires.
9. Conducting oral prophylaxis and cleaning procedures while adhering to infection control protocols.
10. Monitoring patient volume and maintaining accurate patient records at the clinic.

In addition to her clinical skills, Rakshita Krishnan exhibited strong organizational abilities and leadership qualities. She played a key role in the efficient management of the clinic's day-to-day operations, ensuring smooth patient flow and effective coordination among the dental staff.

Rakshita Krishnan also demonstrated an understanding of the financial aspects of clinic management, including inventory control, patient billing and optimizing resource utilization. Her ability to manage time effectively, handle multiple responsibilities and make informed decisions contributed to the overall productivity and success of the clinic.

Sincerely,

Dr.G.Sriram M.D.S.,
