

# WhatsAppyol

**Secure and Independent Communication Solution**

The Tool That Works For You, Not With You

For Healthcare • E-Commerce • Restaurants • Real Estate • Professional Services

# The Business Communication Challenge

Every business faces the same core problem at different scales:

## Time Drain

Hours lost on repetitive manual messaging every single day

## Lost Opportunities

Delayed responses cost 30-40% of potential business

## Scaling Difficulty

Growing operations requires proportionally more staff

## THE REAL COST

# 30-40%

of inquiries lost due to slow follow-up

---

Every lost opportunity equals:

**Significant Revenue Loss**

# Healthcare and Medical Tourism

## Hospital Groups and Medical Tourism

Build lasting customer loyalty

THE SOLUTION

# WhatsAppyol

Professional Communication Tool for Every Business

## Absolute Privacy

Your data stays yours

## Complete Freedom

No restrictions

## 2x Productivity

Background operation

## Multi-Account

One subscription

# Absolute Privacy and Security

YOUR DATA STAYS YOUR DATA

## Zero Data on Our Servers

All your data remains locally on your device. We cannot access your information even if we wanted to.

### What We Never Store:

✗ Customer Names

✗ Phone Numbers

✗ Conversations

✗ Files or Documents

### Why This Matters:

- Complete compliance with data protection laws
- No risk of data breaches through third parties
- No complex data processing agreements needed
- Privacy guaranteed by design, not promises

# Complete Freedom and Independence

## OUR PHILOSOPHY

# The Tool in Your Hands, The Decision is Yours

No restrictions. No mandatory templates. No interference. You use WhatsApp exactly as your business needs.

## You Decide Everything:

### ✓ When to Send

Choose your timing based on your schedule and customer needs

### ✓ What to Send

Create messages according to your needs - text, images, PDFs, videos

### ✓ To Whom to Send

Organize and prioritize your contacts your way

### ✓ How to Organize

Flexible workflows that adapt to your business processes

# Doubled Productivity

## BACKGROUND OPERATION

### Work on Something Else While WhatsAppol Works for You

Start the task, then handle calls, prepare reports, or serve customers. WhatsAppol completes sending automatically.

#### Real Work Scenario:

Step 1: Prepare contact list and messages (5 minutes)

Step 2: Start the sending process

Step 3: Handle other tasks while it runs in background

Step 4: WhatsAppol completes automatically

Work that required 3-4 hours of continuous focus:

**Now takes 5 minutes of preparation**

Plus background time without occupying you

# Multiple Account Flexibility

## FLEXIBLE MANAGEMENT

### One Subscription, Multiple WhatsApp Accounts

A single employee can use multiple WhatsApp accounts from the same subscription.

#### Practical Benefits:

##### **Geographic Organization**

Separate accounts by regions or markets

##### **Language Separation**

Arabic, English, Turkish accounts

##### **Department Separation**

Sales, Support, Marketing numbers

##### **Load Distribution**

Better account health

# Rich Communication Capabilities

## Multimedia Support

Text Messages

Images

PDF Documents

Videos

Voice Messages

Location

Send quotes, catalogs, virtual tours, treatment videos - whatever your business needs

## Multi-Language Interface

GB English

TR Turkish

SA Arabic

FR French

ES Spanish

RU Russian

IT Italian

DE German

Additional languages available upon request
